## Mentoring Sessions - Monday, June 7 and Tuesday, June 8, 2010

New to the Business Continuity or Emergency Management professions? Events are moving quickly and you feel like you're spinning your wheels? Maybe you're an experienced Emergency Manager but now you are also responsible for Continuity of Operations Planning (COOP). Where do you begin?

This is your chance to speak one-on-one with an experienced individual in the profession.

The Ontario Association of Emergency Managers (OAEM) and Disaster Recovery Information Exchange (DRIE) will be holding eight (8), one (1) hour Mentoring Sessions on Monday, June 7 and Tuesday, June 8 on the Tradeshow Floor.

Further details on each mentoring session are available on the conference website. Space will be limited so pre-register for a Mentoring Session today when you register for the conference and visit the OAEM and DRIE booth onsite.
